

## "BELT MELT"

A biodegradable, non corrosive liquid ice melter. Works instantly upon contact and leaves a transparent film that actually prevents the buildup of ice and snow on any surface. Melts ice and snow at temperatures of well below -45°C.

**Directions / Dilutions:** Use on conveyor belts and components as well as other metal or rubber surfaces that snow and ice accumulation is a concern. Use as is. Simply spray on area to be de-iced.

### **Laboratory Analysis:**

Appearance:	Pink liquid
Flammability:	Non-flammable
Corrosion:	Non-Corrosive
Freezing Point:	-45°C
Solubility:	Water soluble
Toxicity:	Non toxic

**Packaging:** 1,000 litre tote  
205 Litre drum  
20 Litre pail
