

## “CLEAN & SHINE”

For use in pressure and touchless vehicle wash systems. Non corrosive and biodegradable Clean & Shine is a revolutionary vehicle wash detergent. Formulated with unique surfactants, wetting agents and detergents designed to strip dirt and road film off of vehicles and equipment quickly and easily. Clean & Shine is formulated with a special rinsing agent making the water bead off of the vehicles surface leaving a high shine.

**Applications:** Touchless and pressure wash systems.

**Directions / Dilutions:** Dilute 1 part Clean & Shine to 300 parts of water. May be diluted further depending on temperature, hardness and pressure of water used.

### **Laboratory Analysis:**

Appearance:	Blue, Clear liquid
Odour:	None
Corrosion:	Non-corrosive
Flammability:	None
Solubility:	Excellent
Detergency:	Excellent
Toxicity:	Non Toxic

**Packaging:** 205 litre drum  
20 litre pail
