

## **"DAIRY KLEEN"**

A specialty descaler. Designed specifically for soft metals such as copper, brass, nickel and stainless steel. Dairy Kleen is a uniquely formulated liquid acid and detergent cleaner for removal of milkstone, beerstone, lime, scale, concrete, and other soils caused by hard water. Removes corrosion, tarnish and oxidation deposits, leaving surfaces clean and bright.

**<u>Applications:</u>** Boilers, steamers, water heaters, ice machines and anywhere a nickel safe descaler is needed.

## Directions / Dilutions:

General cleaning: Use 1 part "Dairy Kleen" up to 40 parts water. Heavy cleaning: Use 1 part "Dairy Kleen" up to 20 parts water. Thick scale build up: Use 1 part "Dairy Kleen" up to 5 parts water.

## Laboratory Analysis:

Appearance:	Clear colour
Corrosion:	Corrosive
lammability:	Non flammable
р.Н.:	1
Solubility:	Water soluble
Foxicity:	Non toxic

Packaging:205 litre drum20 litre pail4 x 4 litres containers12 x 909 mL bottles

Evaluated and accepted for use in Registered Establishments by the Government of Canada, Canadian Food Inspection Agency.
