

## “DUST MAGNET”

A uniquely formulated dust mop treatment designed to attract dust to mops and keep areas dust free.

**Applications:** Warehouses, shops, shopping centers, hospitals, institutions and anywhere a high quality dust mop treatment is required.

**Directions/Dilutions:** Use as is. Simply spray on dust mop or applicator as is required to attract and keep dust on the mop. Place the mop in a bag for 4-5 days to allow dust magnet to penetrate deep into the mops fibres then use. To re-apply simply spray on.

### **Laboratory Analysis:**

Appearance:	Yellow liquid
Corrosion:	Non-corrosive
Solubility:	Non-soluble
Odour:	None

**Packaging:** 205 litre drums  
20 litre pails  
4 x 4 litre containers

Evaluated and accepted for use in Registered Establishments by the Government of Canada, Canadian Food Inspection Agency.
