

“ULTRA CLEAN”

A highly concentrated liquid dish washing detergent, completely biodegradable with a neutral pH. Ultra clean cuts through grease and grime instantly. It is easy to rinse and leaves no film or residue.

Applications: Restaurants, food processing companies and anywhere an economical high quality dish detergent is required.

Directions / Dilutions: Use in sinks only. Dilute 1 part Ultra Clean to 100 or 500 parts water depending on the grease encountered. For tough to clean items let soak for 15 minutes.

Laboratory Analysis:

Appearance:	Yellow liquid
Odour:	Lemon scent
Corrosion:	Non-corrosive
Flammability:	Non-flammable
pH:	7
Solubility:	Excellent
Toxicity:	Non-toxic

Packaging: 20 litre pails
4 litre containers

Evaluated and accepted for use in Registered Establishments by the Government of Canada, Canadian Food Inspection Agency.
